PROJECTS

Developed Blood Donation Website

2023 – Blood Donation Website

Key Role: Led database development (SQL), meticulously analyzed and tested website design (HTML, CSS, PHP, JavaScript), ensuring seamless functionality. Utilized version control with Git for collaborative efficiency.

Developed a Productivity website

2023– [Time management site.pomodoro](#)

Key Role: Developed and designed a Pomodoro website: using HTML, CSS, JavaScript, React, and SQL integrating timer functionalities and intuitive user interfaces.

Researched and Explored Janki Temple

2022 – [Insights of Janki Temple](#)

Key Achievement: Conducted extensive research on the historical and antique aspects of Janki Temple, delving into its rich heritage. Successfully curated and wrote an insightful blog, capturing the essence of the temple's history and significance.

Developed a dynamic Portfolio Website

2023 – [Portfolio](#)

Key Role: Led SQL database development, meticulously analyzed and tested the website design (HTML, CSS, PHP, JavaScript) for seamless functionality. We implemented Git for efficient collaboration and project management.

VOLUNTEER EXPERIENCE

2023- Engaged as a Research Assistant under Dr. Harigen Yadav, contributing to the study on the quality of life in CKD patients at KIST Medical Teaching Hospital, Kathmandu.

2022 - Demonstrated commitment by volunteering as a tutor, offering free guidance to students in rural areas, nurturing academic growth, and fostering community support.

2019 - Exhibited leadership skills by successfully organizing a blood donation campaign as the Swastik Junior Red Cross Society (SJRC) leader.

2019 - Spearheaded an impactful plantation and sanitation campaign on World Environment Day, promoting environmental consciousness and community well-being.

2017 - Displayed compassion by donating mosquito nets and blankets to flood victims in the Bara district, showcasing active participation in humanitarian efforts through SJRC.
